Lent

Call to deeper discipleship

Lent is a time of preparation,
waiting, repentance and action.

Like all aspects of the Christian life,
this time of the year hinges on the life,
death, resurrection and the return of
Christ.

The 5 weeks of Lent and Holy Week
provide a unique opportunity to
reflect and act upon the deeper
realities of our own lives - our
struggles, our goals, our calling, our
prayers - all in light of Christ's life,
death, resurrection and return.
